

## Manager's Corner

On Street Parking continues to be a frustrating problem, with the latest incident being a large private party on the south end of East Shore Drive. I received a number of calls from neighbors, and the beach patrol was sent to correct a dangerous and hazardous situation. I have repeatedly offered a solution for extra guests to utilize the White Cap parking lot. I am baffled by the continued inconsiderateness of members who choose to ignore our community guidelines.

Incredible Weather!! The beaches remained packed, and I thank the people who have expressed their thanks for the excellent conditions of our beaches, and how much they are enjoying the sun and sand.

Back to Beach Patrol: Anthony Mastria, Danny Lemeiux, and Sean McDonough have done a fantastic job dealing with all the issues that they are faced with every day. Whether it is coolers, ball playing, alcohol, and tobacco on the beach, as well as kayaks in the swim areas, these young men continue to do their job well every day enforcing association rules.

I can be reached on my cell phone at (860) 917-1573 between the hours of 8:00AM and 6:00PM. Telephone or text at any time in the event of an emergency. You may also email me at [mgmt@blackpointbeachclub.com](mailto:mgmt@blackpointbeachclub.com).

*Seamus suffered a heart attack and was taken to St. Bridget's Hospital where he had open-heart surgery. When he waked, there was a nun sitting by his bed. After taking his vital signs, she felt he was strong enough to answer some questions about payment for his treatment.*

*"I haven't got Health Insurance," he stated. The Nun questioned that perhaps there was some money in the bank? Seamus replied "No money in the bank."*

*The Nun asked if he had family who might help. Seamus replied, "I only have a spinster sister who is a Nun"*

*The Nun became agitated and announced loudly that Nuns are not spinsters, as they are married to God!*
