

Hello Fellow Black Pointers,

Welcome back to another spectacular summer season at our little slice of paradise. My name is Jim Moffett and I am the new Waterfront Supervisor. The beaches, boat docks and the boat ramp are ready for your use and enjoyment. A lot of work and preparation went into getting the waterfront ready in time for the first day of summer - many thanks to the Board of Governors, as well as the Committee members.

Our beach patrol staff this year includes James, Jake and Taylor. Please make them feel welcome, as well as support them in their efforts to enforce our rules on the beach this year.

A few reminders regarding some issues that have arisen recently:

- You must display your hanging parking tag on any vehicle or golf cart in the designated parking areas at the Nehantic & Sea Breeze Right of Ways, and the White Cap parking lot.
- Golf carts are not allowed to park on grassy areas in any Right of Way.
- The rules call for No Coolers on the beach and no alcohol on the beach.
- Please take your garbage home with you after leaving the beach.

A special upcoming event to mark on your calendars is Saturday, July 21st on Main Beach, which coincides with East Lyme Days and the Fireworks at McCook Park. Weather permitting, the fire will be lit at 8:00PM and extinguished at 11:00PM. Feel free to bring snacks and beverages of your choice. A very fun evening! Just remember to take your trash home with you.

Have fun and see you on the beach!

*Black Point Beach Patrol 2018- Jake, Jim & James*

## Message from the Chair of Board of Governors:

My first year on the BOG, I thought we should have more community involvement in the operation, maintenance, and overall function of the BPBCA. Over the past few months I have seen members step up and contribute in many ways.

The April community cleanup, where 25 members showed up. The Board, the staff, and the membership have come together to show how much this community can accomplish.

I want to give a great big thank you to those who have volunteered their time, energy, equipment and good spirit to make everything go so smoothly with the projects we have finished.

Carl Lombardo was asked if he would help spread the playground mulch around, he said sure he would take care of it and used his bobcat to cover the grounds over several days, as we had lots of rain.

Kay Parulis weeded, transplanted, watered and bought new plants and mulch and spread around the clubhouse, it looks beautiful.

Cheryl Colangelo and Maureen Lowney co-chaired the picnic and parade. We had record number floats and attendance. It ran smooth, and we saved several hundred dollars to boot. Huge success.

Steve Wesnisky is taking care of the clay courts, rolling, watering, and applying calcium chloride.

Mr. Zito and Mr. Fleet have lent their expertise in the care and setting up times of play for the clay courts.

We have Jim Moffett, James McCoy, Jacob Murphy, working the beaches. Blowing sand off the walkways, steps and ramps every day to help our members stay safe entering the beach. They are tagging cars and golf carts that are not following the rules.

Golf carts must follow the same rules as automobiles. Please park them on the designated right of ways and the parking lot. Have them registered with East Lyme Police Dept. and hang your Black Point tag in a conspicuous place. And please always remember the operator of a golf cart need to have a valid driver's license!

Again thank you everyone for your help. This is a great community. **Enjoy the week,**
