

Board of Governors News Update:

Good morning,

The Board of Governors voted at the last meeting to hold a bonfire on south beach. There is very limited parking in that area. The reason for this bonfire is to watch the fireworks display from Old Black Point Beach area, and enjoy a nice night with your neighbors as summer winds down. The event is August 18. The guards will allow you to drop off passengers and remove your vehicle to a safe parking area. Hopefully there is good weather so all can enjoy the event.

I know the membership is concerned over the progress of the steel pier project. The Board is in the process of gathering information to present to the membership. We will not make a decision about what should get done to the pier until a presentation is made.

As July turns to August the days are getting shorter and that means the summer is getting closer to an end. We still have the “dog days of summer” coming in August, so get out to our beautiful beaches and enjoy the nice weather, take a swim or walk or just sit and relax.

The Board is working continuously to help members and improve our association. If you have any questions or concerns, please feel comfortable calling me at 860-402-4089.

The other Board members are:

Mary Cahill, Will Fountain, Cheryl Colangelo, Steve Beauchene, Bill McDowell, Ronnie Allen Phelps, Phil Lombardo. If you have any questions you should call me and I will help or put you in touch with the correct person to help. Have a good week!
