

May 15, 2024

To: Board of Governors, Black Point Beach Club

Regarding the forthcoming vacancies expected within our Board of Governors, slated to be filled during the May 2024 Memorial Day BOG meeting, I respectfully submit my name and attached summary resume for Board nomination consideration.

I have been a resident of Black Point for 31 years and have fully enjoyed and embraced the growth of our community, the extensive friendships developed with so many neighbors, and would be motivated and excited to participate in these next chapters of the BPBC evolution.

As outlined on the attached, I have been privileged to serve on many Boards throughout my career, along with owning executive responsibilities in successfully guiding several extraordinarily complex companies. I trust these 30+ years of experiences has well prepared me for consideration for a seat on the BOG, where I hope to add value to the business of running and investing in Black Point.

I am sincerely excited to pursue this endeavor, and if nominated, look forward to working with the BOG and members of our community to keep BPBC progressing!

Regards, Bill Bayne

William A. Bayne Jr – Professional Summary

2 Osprey Road, Niantic, CT 06357
